

Gift Card Holder Template

1. Begin with Cardstock cut at 5.5 x 11"

2. Score at 4.25, 8.5 and 10"

3. Using the Word Window Punch, punch out an opening wide enough for your gift card. Push the punch all the way in from the edge of cardstock.

4. Apply Sticky Strip Adhesive to the back of the 1" flap

5. Fold on all score lines. Fold the two smaller sections to the center.

6. If desired, apply a contrasting scrap of cardstock over the punched opening so the contrast shows through on your finished project

7. Embellish as desired.
